Our Theme – [Breathe]

Do you feel tired and weary? When you look back on your life before Christ, is it different from how you live now? How about when you first came to know Christ, did you live a more passionate life for Him? Does your spiritual life feel dry? Then this camp is for you. Our goal this year at summer camp is to come together and study Ezekiel 37:4-6 where the Lord says "*Dry bones, hear the word of the LORD! This is what the Sovereign LORD says to these bones: I will make breath enter you, and you will come to life. I will attach tendons to you and make flesh come upon you and cover you with skin; I will put breath in you, and you will come to life. Then you will know that I am the LORD.*" Life has many distractions that steal our breath and energy. There are many demands on our time, our talents, and our resources. But God is the one who has given us all of these things and we need to ask ourselves if we allow Him to move us and use us at His will. Do our lives reflect His will? His Word? His action? Perhaps we need Him to *breathe* more of Christ into us. It can be overwhelming, but remember that God will help...

so just....

The theme of our retreat is titled "Breathe", taken from the passage of Ezekiel 37:4-6. I realize breathing wasn't something I learned to do growing up.... That sounds weird, but how many of us forget to take time to breathe during our daily routines of work, school and more work? So many of us are caught up with the things of life, that we forget the purpose of why we do what we do.

The first thought that popped into my head when I heard the theme 'Breathe' was the song "Great Are You Lord" written by All Sons and Daughters. There's a line in the chorus that goes "It's your breath in our lungs, so we pour out our praise, we pour out our praise."

I grew up in a Christian Chinese family, going through the routines of school and church. After high school I started working with young adults through various programs with the YMCA of Edmonton and the Edmonton Police Service all while studying Nutrition. This was my routine for 5 years before I received my calling into Church Ministry. A valuable lesson I learned throughout these years was to depend on Him for every breath, because sometimes life gets hard. Through the circumstances of life, I was taught to live by the line of that song. I was taught to depend on Him, I was taught to live off His sufficiency, and then I was taught to praise Him through everything.

At our retreat in September, would you allow me to share a couple stories and learnings with you? I look forward to meeting you, learning from you and walking alongside you as we pursue Christ together.
